Xerox Tabs and Dividers

A great solution and the fastest way to create impressive tabs and dividers for presentation binders.

These handy tabs and dividers are available with a plain edge or four-hole punched. Xerox Tabs and Dividers are recommended for marketing communications where organisation is important.

Xerox Tabs and Dividers are available in punched, plain or with plastic reinforced tabs. Plain tabs are available in 5 and 10 part sets in white or rainbow and plastic tabs are also available in 5 and 10 part sets.

Xerox standard and plastic tabs are made from a 160gsm high white card stock. Colotech tabs are made from 160gsm Colotech stock.

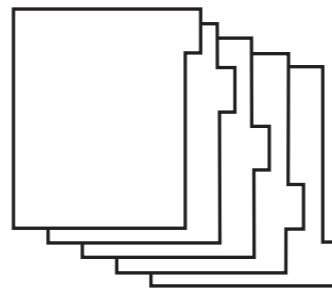

- Divide and organise your information quickly
- Trouble-free performance
- Great for applications including employee handbooks, hospital charts, proposals, product catalogues, sales presentations, directories, manuals, parts/price lists, personnel records and more...

Available in 2 styles with either island or run-out type tabs.

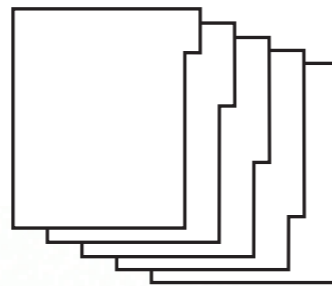

Should our stock range not cover your needs, then try our customer service team. We can provide a different number of tabs, sets and stock. Contact your Antalis account manager to discuss your specific requirements.

Island style
Each tab is a similar size

Run-out style
Length of tab increases through the set

Xerox Standard Tab Dividers

Can be used to highlight and organise all your documents. Dividers come in 160gsm. A customised service is available for these products (minimum 10 boxes).
